

NORTHOAKS PRIMARY SCHOOL

Letter to Parents 08(D)/2020

14 January 2020

Dear Parents/Guardians,

Enrichment Programmes for 2020 - Primary 4

In line with our school's efforts to provide quality learning for our students, we have planned several programmes to enrich your child/ward's learning experiences this year. The intent is to expose your child/ward to different domains of learning as part of the holistic development of your child/ward. As these programmes are subsidised by the school, we strongly encourage you to support your child's/ward's participation. You may wish to refer to the attached for the list of enrichment programmes for your reference.

For Singapore Citizen students, payment for these programmes will be deducted from your child's Edusave account. If the Edusave funds is insufficient, the balance will have to be paid in cash/by cheque.

For non-Singaporean students, payment for the enrichment programmes will need to be paid in cash/by cheque to the school.

Please do not make any payment yet. The school will generate a school bill (similar to MOE bill) in February, indicating the amount payable from your child/ward's Edusave account (for Singapore Citizen students) or your designated GIRO account (for non-Singaporean students). The deduction will be made on **15 February 2020**.

Should there be insufficient fund, the school will generate another school bill in mid-March for the outstanding balance to be settled in cash/by cheque.

Please note that there will be another letter on reading materials to be purchased by students for use in the class. More details will be given later. Note : Payment will be made through GIRO.

Thank you.

Yours sincerely

Mrs Theresa Hong
Principal

NORTHOAKS PRIMARY SCHOOL

Information on Enrichment Programmes

1. "The Leader in Me™" Programme

Based on The 7 Habits of Highly Effective People, our school hopes that "The Leader in Me™" programme will help every Northoaks student to build self-confidence and develop personal management and social skills so that every child can be a leader in his/her own realm.

2. Mother Tongue Enrichment Programmes

ML Enrichment: Musical Drama

This programme aims to equip students with literary skills where ideas and feelings are emphasized and illustrated through drama. Students are given the exposure to structures and modes of drama. The programme also aims to provide opportunities for creativity with the emphasis on sound effects.

At the end of the programme, students should be able to apply the skills in voice projection and body language. They should also be able to develop confidence in putting up a drama in front of an audience.

3. **1-Day Outdoor Adventure Experiential Camp (3 July 2020)**

As part of the school's **Learning for Life Programme (LLP) - STRIVE@Northoaks**, the school will be organizing a 1-Day Camp for Primary 4 students. The aim is to provide opportunities for students to:

- develop self-reliance and explore ways to respond to a challenge
- work with others in a group
- develop a lively curiosity about the outdoor activities
- develop leadership and team-building skills
- develop confidence through a series of challenging activities

| S/N | Programmes | Cost of Programme (\$) | Co-payment by Students (\$) |
