Letter to Parents 26/2020

19 February 2020

Dear Parents / Guardians,

Reading Materials for English and Mother Tongue Departments

The English Department will be subscribing to the “What's Up” student newspaper for the year 2020. This is to allow students to be engaged in current affairs and issues. Students will learn about different text types and expand their vocabulary through the articles which are appropriately pitched for them.

The Chinese and Malay Department adopts reading materials with interactive and interesting articles to help students enhance their language skills and ability. It aims to cultivate students' interest in reading while reinforcing and consolidating the knowledge learnt in class.

The amount payable in cash for these magazines are as follows:

ML magazine	For P1-P6 students taking ML as their MTL	\$22

The amount will be deducted from your designated GIRO account on **14 March 2020**. Should there be insufficient funds, the school will inform you to pay the amount in cash.
